AND CHILDREN IN TAMPA BAY.

WOMEN LIKE PATRICE*...

"I went to The Spring's shelter after suffering profound domestic abuse from my ex-boyfriend. The Department of Children and Families had taken my two babies that night. The Spring advocates aided me greatly by helping me prepare to go to court to regain custody of my children. Finally, after 6 months, I was reunited with my babies! Unfortunately, when my ex-boyfriend was released from jail, he found me again. I went back to The Spring's shelter and they helped me relocate where he could never find me again. I was able to find employment as a teacher's assistant and I am still employed there after more than a year and a half. Today, I have accomplished many of my goals including obtaining my driver's license, obtaining a reliable vehicle, placing my son in public school and summer school, and building my credit and savings. I am forever grateful for The Spring's help!"

PLAN TO GIVE

Just as we provide safe spaces and empowering services to survivors of domestic violence and their children, The Spring of Tampa Bay wants each of you to have the resources you need to protect yourself and your loved ones.

Building a legacy that includes meaningful philanthropic impact is a gift to our community's future, and we've partnered with FreeWill to help you make your will in as little as 20 minutes. It's an important task for taking care of the individuals in your life, planning for all of your assets, and gaining peace of mind.

Meet your family, financial and charitable goals, while making a difference in the lives of our survivors and their families. **We help passionate donors establish a legacy** with a current or future gift through a bequest, trust, donor-advised fund, and many other giving options.

EXPANDED & EVOLVED

to meet the needs of
the survivors we
serve.

We need your help to complete funding for our new property

Now that this new property is fully renovated, survivors have a one-stop shop where they can explore options for support and safety and get the goods and services they need to move towards an economically stable future, free from abuse.

JOIN THE CAMPAIGN and help us fill the needs of our community! Named funding opportunities are available to support survivors in this new space.

Handbags and Happy Hour

Ways to Get Involved

Donations

Your support is crucial in helping us provide safe shelter and critical services to those who are fleeing abuse. Your generosity ensures The Spring will continue providing life-changing, and life-saving services.

Planned Giving

A planned gift or legacy gift to The Spring will allow us to have resources for the future of our organization.

Peace Village Move-In Project

Peace Village, our 12-unit apartment complex, is available to survivors after having permanently left an abusive relationship. It gives security and stability for 12-18 months as they begin to rebuild their lives.

Sponsor or Host a Fundraising Event

Whether it's one of our events such as Handbags & Happy Hour or an event that you facilitate at a place of your choosing, this is a fun way to generate donations for a great cause!

THE SPRING
OF TAMPA BAY

9th Annual

Handbags and Happy Hour

Ways to Get Involved

Camp and Yearly Events

The Spring is an affiliate of Camp HOPE America, the first evidence-based yearlong mentoring and summer camp program in the US to focus on children exposed to violence. Sponsoring a child to participate can change their life forever.

Amazon Gift List

Many of the items that are needed throughout the year for our survivors can be purchased and shipped from one place through our Amazon Gift List.

Host a Speaker

By hosting a speaker, you are helping share our critically important mission with your network. You never know whose life has been affected by domestic violence.

Volunteer

Volunteers are central to The Spring's mission. Without them, we wouldn't be able to serve survivors of domestic violence every day.

You are not alone.

24/7 Crisis Hotline
813-247-SAFE (7233)
813-248-1050 (TTY)

The mission of The Spring of Tampa Bay is to prevent domestic violence, protect victims, and promote change in lives, families, and communities.

Founded in 1977, The Spring is the certified Domestic Violence Center serving Hillsborough County and has served thousands of women and children in crisis.

www.thespring.org

A woman with dark hair is smiling and hugging a young child from behind. The child is wearing a yellow shirt and a striped shirt. The background is a soft, out-of-focus light blue.

Peace Village

Our 12-unit apartment complex has families living there after having permanently left abusive relationships. Each family signs a one-year lease and pays a significantly reduced portion of their rent and utilities.

Housing Program

This program provides homeless survivors with financial assistance to help them move into permanent housing. The survivor receives housing case management services that assist the family in finding appropriate safe housing and creating an individualized housing stability plan to ensure long-term ability to remain stably housed when the program ends.

Prevention Team

Our Prevention Team teaches youth about healthy relationships and teen dating violence through schools and partner agencies and facilitating a Youth Action Committee. They also facilitate Camp HOPE and Pathways events for youth.

Child Welfare Partnership

Through this partnership, two staff bridge the gap between child welfare and domestic violence service providers. The goal is to enhance family safety, create permanency for children, reduce removals of children from non-offending parents, and hold batterers accountable.

InVEST Program

Two Intimate Violence Enhanced Services Team (InVEST) advocates work with local law enforcement to identify victims and survivors of domestic violence at high risk of being murdered by their partners. Our advocates reach out to survivors to offer safety planning information and services, while our law enforcement partners implement measures to hold batterers accountable.

Coordinated Community Response Project

Leads County system stakeholders in an initiative to evaluate and implement principles that increase victim safety and offender accountability. Provides technical assistance and training to criminal justice and domestic violence stakeholders.

THE SPRING'S PROGRAMS

Your support helps us to provide survivors with numerous programs including the following resources:

- 24/7 Crisis Hotline
- Emergency Shelter
- Outreach Services
- Legal Services, including Injunctions for Protection
- Peace Village Housing
- Prevention Education
- Therapy Services
- Child Welfare Advocacy for Survivors
- Housing Services
- Pet Care
- Economic Justice
- High Risk Advocacy Team
- Coordinated Community Response Project
- Child Services, including School, Daycare & Camp HOPE
